The purpose of the 30-day Trial Member Agreement is to give veterinary clinics access to TVC's purchasing programs to see if our programs benefit your clinic before you commit to joining as a Voting TVC Co-op Owner. Your clinic will have 30 days to evaluate TVC suppliers and programs. You agree to the following:

- I agree in the next 30 days to consider at least four TVC vendors to see if they will save my clinic money. I also agree to schedule and accept a call from TVC to determine which vendors will work best for my clinic.
- Provide TVC a check within **35 days** of this agreement if you want to convert the membership to a full Voting TVC Co-op Owner. There is no penalty, or anything owed during the trial period or at termination of this agreement. **If TVC does not receive a check for the Voting TVC Co-op Ownership fee, your access to TVC programs and savings will be terminated.**
- I will have access to review TVC's purchasing programs for 30 days. During this time, I will familiarize myself with the purchase information for the TVC programs that I am interested in and comply with each vendor's protocols and requirements.
- I will comply with the TVC NDA found on the TVC Co-op Owner's only website and keep TVC/Vendor pricing and programs confidential and I cannot use this knowledge to negotiate with current TVC vendors or competitive vendors for 3 years.
- If I send TVC a check for the one-time ownership fee and it is received by TVC **within 35 days** of this agreement, and upon Board approval, I will become a Voting TVC Co-op Owner. The receipt of the signed check is acknowledgement that I have read and agree to the TVC Co-op Owner agreement and TVC's Bylaws, both found on the TVC Co-op Owner's only site.
- A **lifetime** (one-time) membership fee of **\$200.00** is required to convert this membership to a Voting TVC Co-op Owner. If a check for the ownership fee is **not** received within 35 days, the TVC Trial Membership and all of its privileges are terminated. There is no penalty, or anything owed to TVC or the Trial Member at termination of this agreement.
- During the term of the 30-day Trial Membership:
 - I will not have voting rights.
 - I will not have any right to any discounts or rebates.
 - I will not track with TVC for most purchases through its vendor partners until I become a Voting TVC Co-op Owner and follow each vendor's instructions located within their detailer pages.
- Either the 30-day Trial Member or TVC can terminate this arrangement at any time.
- I am an independent veterinarian eligible to be a Voting TVC Co-op Owner:
Qualifications-See section 2.2 of Bylaws for further detail:
 - Individuals or legal entities who are an independent veterinary practice holding (or owned primarily by individuals holding) a current and valid state license to practice veterinary medicine in the United States.
