The purpose of the 30 Day Member Agreement is to allow animal hospitals to gain access to TVC's purchasing programs to see if our programs benefit your clinic before you commit to joining as a full Voting Participating Member. - I will comply with the TVC NDA found on the TVC member's only website, and keep TVC/Vendor pricing and programs confidential and I cannot use this knowledge to negotiate with current TVC vendors or competitive vendors for 3 years.
- If I send TVC a check for the one time membership fee and it is received by TVC **within 35 days** of this agreement, and upon Board approval, I will become a TVC Voting Participating Member.
